CORPORATE GOVERNANCE REPORT

Punjab Logistics Infrastructure Limited (hereinafter referred to as "PLIL") is 51:49 Joint Venture Company of Container Corporation of India Ltd. (CONCOR), a Central Public Sector Undertaking of Ministry of Railways, and Punjab State Container and Warehousing Corporation Limited (CONWARE), a wholly owned subsidiary of Punjab State Government which worked together for setting up a Multi Modal Logistic Park (MMLP) near Mandi Ahmedgarh. The MMLP provides integrated logistic services and is accessible by multiple transport modes.

PLIL was incorporated on 16th December, 2013 with the Registrar of Companies, Chandigarh. As per the Articles of Association of Container Corporation of India Limited (CONCOR) and powers conferred in DPE guidelines on financial and operational autonomy for profit making public sector enterprises, the aforesaid Company was incorporated by the CONCOR in pursuance of Joint Venture Agreement (JVA) dated 13th March, 2013 entered between CONCOR and CONWARE.

PLIL considers Corporate Governance an important tool for achieving sustainable long term growth thereby enhancing stakeholder's value. It aims to have sound Corporate Governance practices based upon transparency, fairness, conscience, team work, professionalism and accountability paving the way for following the best standards and building confidence among all the stakeholders which is necessary to achieve its objectives. Its objective is to adhere to the provisions of Guidelines on Corporate Governance issued by Department of Public Enterprises (DPE), Ministry of Heavy Industries and Public Enterprises, Government of India. A report on Corporate Governance is given below along with the Certificate from a Practicing Company Secretary regarding compliance of conditions of Corporate Governance.

CORPORATE PHILOSOPHY

The philosophy is derived from CONCOR and CONWARE, the major stakeholder which has made applicable good Governance practices. From inception itself, it aims to conduct its activities in an ethical and responsible manner geared to sustainable value creation for stakeholders within the prevalent regulatory framework. PLIL intends to be a competitive, customer-friendly and development-oriented organization whose objective is to provide efficient and reliable multimodal logistics support for the country's EXIM and domestic trade and commerce.

BOARD OF DIRECTORS

The Board consists of Directors derived from the stakeholders of the company, viz., CONCOR and CONWARE. The Board of Directors endeavors provides long term vision, leadership and guidance and finalizes the long term strategic plans for the company.

The Company has a well laid down procedure for decision making by the Board. The Article No. 20 defines the powers of the Board to decide on the matters categorized under "Reserved matters" and "Exceptionally reserved matters". The meeting dates for Board meetings and its Committees are finalized in consultation with all Directors concerned in order to ensure full presence in the meeting. The Agenda is circulated to the Directors well in advance for the meetings of the Board and Committees thereof. Under circumstances where the approval of

the Board is required on urgent basis, resolutions are passed by circulation, which are later ratified in the next Board meeting. Whenever necessary, the departmental heads/senior management officials/experts are also called to provide additional inputs or give presentations on the matters being discussed in the meetings of the Board/ Committee of the Board. The Meetings of the Board of Directors are normally held at Registered Office of the Company. The Board has complete access to all the information available with the Company.

Following are the Directors on the company as on 31st March, 2020:

- | | |
|-------------------------------|----------|
| 1. Sh. Nilkanth S. Avhad, IAS | Director |
| 2. Sh. P.K. Agrawal | Director |
| 3. Sh. Yashanjit Singh, IRTS | Director |
| 4. Mrs. Sangeeta Ramrakhyani | Director |

The Board of Directors met 4 (Four) times for transacting the business of the Company during the financial year 2019-20 on the following dates:

Board meeting Number	Date
27	25 th April, 2019
28	22 nd July, 2019
29	25 th October, 2019

CORPORATE GOVERNANCE CERTIFICATE

TO
THE MEMBERS
PUNJAB LOGISTICS INFRASTRUCTURE LIMITED

I have examined the compliance of conditions of Corporate Governance by Punjab Logistics Infrastructure Limited for the period ended 31st March 2020 as stipulated in the DPE guidelines on Corporate Governance for Central Public Sector Enterprises issued by the Department of Public Enterprises, Ministry of Heavy Industries and Public Enterprises, Government of India.

The compliance of conditions of Corporate Governance is the responsibility of the Management. Our examination carried out is in accordance with the Corporate Governance (Model of Best Practices) issued by the Institute of Company Secretaries of India, was limited to the procedures and implementation thereof adopted by the Company for ensuring the Compliance of the conditions of Corporate Governance. It is neither an audit nor an expression of opinion on the financial statements of the Company.

We have obtained all the information and explanations, which to the best of our knowledge and belief were necessary for the purposes of certification and have been provided with such records, documents, certification, etc. as had been required by us.

In our opinion and to the best of our knowledge and information and according to the explanations given to us, we certify that the Company has complied with the conditions of Corporate Governance issued by the Department of Public Enterprises.

We further state such compliance is neither an assurance as to further viability of the Company nor the efficiency or effectiveness with which the management has conducted the affairs of the Company.

MANAGEMENT DISCUSSION AND ANALYSIS

1. INDUSTRY STRUCTURE & DEVELOPMENT

Industries such as Auto, FMCG, food processing, consumer durables, Paper & Pulp sector have considerable requirements for integrated logistics parks owing to their higher need for warehousing and transportation activity. Therefore with the mushrooming of industries in the state of Punjab, the Multi Modal Logistics Park (MMLP) is being set up for providing single window services and seamless connectivity for promoting hinterland transportation of containers as well as break bulk cargo. This will enable freight traffic to switch from the road to the rail network. By linking the freight traffic to the rail network, the cost of transportation will be reduced for the industries in Punjab.

2. INTERNAL CONTROL SYSTEMS

PLIL, in order to ensure that all checks and balances are in place and all internal control systems are in order, M/s S. Sood & Company, Chartered Accountants, Ludhiana were appointed as Internal Auditors of the Company for the financial year ended 31st March, 2020 which empathized to do regular and exhaustive internal in close co-ordination with deputed officials. Reports of the auditors are reviewed, compliances are ensured and the reports along with the compliances are put up to Audit committee periodically.

3. SECURED AND UNSECURED LOANS

As on 31st March, 2020, the outstanding balance of secured loan has been Rs. 63.63 Crores. The company has not availed any unsecured loan during the year under report.

4. CAPITAL WORK IN PROGRESS

The engineering works took fast phase during the period under Report. By 31st March, 2020, the assets worth Rs. 17.47 Lakh were capitalized. As on 31st March, 2020, the closing balance of capital work in progress amounted to Rs. 56.34 Lakh.

5. FIXED ASSETS

Particulars	Amount in INR Crores	
	FY ended 31 st March, 2020	FY ended 31 st March, 2019
Noncurrent assets	229.50	240.37

- Depreciation charged in the year raised from Rs. 10.95 crores to Rs. 11.14 crores

6. INVENTORIES

The company being a service company does not have stock in trade. Moreover, the company is under development stage.

7. INCOME

During the year under the Company achieved remarkable turnover of Rs.31.52 crores as against Rs. 20.25 crores in the previous year, which is almost 55% more than the previous year. The productive TEUs handled during the year as compared to the previous year are depicted in the table below:

Financial Year	Inward movement	Outward movement	Total
2019-20	19330	7132	26462
2018-19	17202	2924	20126

The income from other sources, i.e., from fixed deposits earned during the fiscal year had been Rs. 0.09 crores as compared to 0.11 crores in previous year.

8. EXPENSES

During the financial year under Report 2019-20, the operational and other expenses increased to Rs. 39.79 Crores from Rs. 31.61 crores. Out of which during the year the expenses primarily enhanced due to terminal and other service charges which had been Rs. 19.98 crores and debt serviced amounting Rs. 6.39 crores.

9. EMPLOYEE REMUNERATION

There is no employee/ officer on the roll of PLIL till date. The Company has a Company Secretary and Chief Financial Officer appointed on contractual basis. CEO and Assistant Manager (C&O) and 2 other employees from CONCOR have been deputed on secondment basis. The remuneration paid to the secondment staff amounted Rs. 83.32 Lakh and to the contractual staff Rs. 15.29 Lakh.

10. TAXATION

For the financial year ended 31st March, 2020 deferred tax asset amounting to Rs. 9.13 crore was created as compared to deferred tax liability of Rs. 62.83 Lakh for the previous financial year.

The requirement to recognize deferred tax asset is that it should be probable that the taxable profit will be available against which the deductible temporary differences can be utilized. Accordingly, PLIL, in this FY 2019-2020 has been prepared the projections of profitability for future years and it is expected that unabsorbed losses due to depreciation and business loss will be adjusted towards probable future profits. In previous years, PLIL have no probability of future profits as company has started its business operations in FY 2017-18. At inception stage, business volumes were low, and Depreciation burden was high resulting into losses and which leads to unabsorbed depreciation and business losses. Keep in view the market response and the growth of business volumes, the company has anticipated projections for the coming years and based thereon it is probable that unabsorbed losses due to depreciation and business loss will be adjusted towards probable future profits. The company has created deferred tax assets of Rs.9,31,19,632/- on Unabsorbed depreciation and accumulated losses of the company . The amount of unabsorbed losses for FY 2017-18 and FY 2018-19 is Rs. 13,49,11,138/- and Rs. 13,47,16,657/- respectively and for FY 2019-20 unabsorbed loss is Rs, 8,85,24,639/-.

The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered.

11. SWOT ANALYSIS

STRENGTHS

- Connectivity to the proposed Dedicated Freight Corridor (DFC) project – linked through feeder route to western freight corridor and part of eastern freight corridor
- Ludhiana is one of the key industrial areas in Punjab contributing to approximately 34.7% of Punjab's GDP (in FY10)
- Located off the NH-1, thereby, providing easy connectivity to road

WEAKNESSES

- Existing ICDs of CONCOR and GRFL lies on the eastern side of NH-1. However, the proposed MMLP will be on the western side of NH-1 which is about 20 kilometers off the highway as well as from GRFL ICD. (This can be countered by providing customers with better services at reasonable costs using CONCOR's strength)

OPPORTUNITIES

- The state's Industrial Policy 2003 aims at infrastructure development, lesser number of regulations and speedy clearance of new projects which has made Punjab amongst the leading investment destination

- Ludhiana, the location for the proposed MMLP, is ranked first in India in terms of doing business
- Some key products of Punjab – Bicycle, fasteners, and sewing machines is given special focus status
- Double stacking

THREATS

Dedicated Freight Corridor Corporation (DFCC) and few competitors are planning to set up a multi-modal logistic park in Ludhiana (This should be overcome by harnessing the first-mover advantage by the Qulla Raipur facility)

12. CAUTIONARY STATEMENT

Statements in the Directors' Report and Management Discussion & Analysis, describing the Company's objectives, projections and estimates, expectations, predictions etc. may be "forward looking statements" within the meaning of the applicable laws and regulations. Forward looking statements contained herein are subject to certain risks and uncertainties that could cause actual results to differ materially from those reflected in the forward-looking statements. Actual results, performances or achievements may vary materially from those expressed or implied due to economic conditions, Government policies and other incidental factors such as litigation and industrial relation.

SECRETARIAL AUDIT REPORT**

For the financial year ended March 31, 2020

[Pursuant to section 204(1) of the Companies Act, 2013 and rule No.9 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014]

To,
The Members,
Punjab Logistics Infrastructure Limited
S.C.O 74-75, Bank Square,
Sector-17-B, Chandigarh

I have conducted the Secretarial Audit of the compliances of applicable statutory provisions and the adherence to good corporate practices by Punjab Logistics Infrastructure Limited (hereinafter called the Company). Secretarial Audit was conducted in a manner that provided us a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing our opinion thereon.

Based on our verification of the Company's books, papers, minute books, forms and returns filed and other records maintained by the company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, we hereby report that in our opinion, the company has, during the audit period covering the financial year ended on March 31, 2020 ("Audit Period"), complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

I have examined the books, papers, minute books, forms and returns filed and other records maintained by Punjab Logistics Infrastructure Limited ("the Company") for the financial year ended on 31st March, 2020 according to the provisions of:

- (i) The Companies Act, 2013 (the Act) and the rules made thereunder;
- (ii) The Securities Contracts (Regulation) Act, 1956 ('SCRA') and the rules made there under;
(Not applicable during Audit Period)
- (iii) The Depositories Act, 1996 and the Regulations and Bye-laws framed there under (Not applicable during Audit Period)
- (iv) Foreign Exchange Management Act, 1999 and the rules and regulations made there under to the extent of Foreign Direct Investment, Overseas Direct Investment and External

- Commercial Borrowings; (Not applicable due to NIL transactions related to FDI, ODI and ECB during Audit Period)**
- (v) The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act'):-
- (a) The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011; **(Not applicable during Audit Period)**
 - (b) The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 1992; **(Not applicable during Audit Period)**
 - (c) The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2009; **(Not applicable during Audit Period)**
 - (d) The Securities and Exchange Board of India (Employee Stock Option Scheme and Employee Stock Purchase Scheme) Guidelines, 1999; **(Not applicable during Audit Period)**
 - (e) The Securities and Exchange Board of India (Issue and Listing of Debt Securities) Regulations, 2008; **(Not applicable during Audit Period)**
 - (f) The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 1993 regarding the Companies Act and dealing with client; **(Not applicable during Audit Period)**
 - (g) The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2009; **(Not applicable during Audit Period)** and
 - (h) The Securities and Exchange Board of India (Buyback of Securities) Regulations, 1998; **(Not applicable during Audit Period)**
- (vi) DPE guidelines issued by the Department of Public Enterprises for Corporate Governance of Central Public Sector Enterprises under Ministry of Heavy Industries and Public Enterprises.
- (vii) Labour laws such as Factories Act, 1948, Payment of Wages Act, 1936, Minimum Wages Act, 1948, Payment of Bonus Act, 1965, Industrial Dispute Act, 1947, Employee State Insurance Act, 1948, Employee's Provident Fund and Miscellaneous Provisions Act, 1952, Payment of Gratuity Act, 1972. **(Not applicable during Audit Period)**

I have also examined compliance with the applicable clauses of the Secretarial Standards issued by The Institute of Company Secretaries of India

During the financial year under review, the company has complied with the provisions of the Acts, Rules, regulations, guidelines, standards etc. mentioned above.

**TANNU MEHTA & ASSOCIATES
COMPANY SECRETARIES

I further report that

The Board of Directors of the Company is duly constituted with proper balance of Executive Directors, Non-Executive Directors and Independent Directors. The changes in the composition of the Board of Directors that took place during the period under review were carried out in compliance with the provisions of the Act.

Adequate notice is given to all directors to schedule the Board Meetings, agenda and detailed notes on agenda were sent at least seven days in advance, and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting.

Majority decision is carried through while the dissenting members views are captured and recorded as part of the minutes.

I/we further report that there are adequate systems and processes in the company commensurate with the size and operations of the company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines.

I/we further report that there were no instances of:

- i) Resolutions under Section 180 of the Companies Act, 2013
- ii) Public/Right/Preferential issue of shares /debentures/sweat Equity etc.
- iii) Redemption /buy-back of securities.
- iv) Merger/amalgamation/ reconstruction etc.
- v) Foreign technical collaborations

Annexure- A to Secretarial Audit Report dated 15th May, 2020

To

The Members,
Punjab Logistics Infrastructure Limited
S.C.O 74-75, Bank Square,
Sector-17-B, Chandigarh

Our Secretarial Audit Report dated 15th May, 2020 is to be read along with this letter.

1. Maintenance of Secretarial and other records is the responsibility of the management of the company. Our responsibility is to make a report based on the Secretarial records produced for our audit.
2. We have followed the audit practices and processes as were appropriate to obtain reasonable assurance about the correctness of the contents of the secretarial records. The verification was done on test basis to ensure that correct facts are reflected in records. We believe that the processes and practices, we followed provide a reasonable basis for our report.
3. We have not verified the correctness and appropriateness of financial records and books of accounts of the company as it is taken care in the statutory audit.
4. We have obtained the management representation about the compliance of laws, rules and regulations and happening of events, wherever required.
5. Compliance of the provisions of Corporate and other applicable laws, rules, regulations, standards is the responsibility of the management. Our examination was limited to the verification of procedures on test basis.
6. This Secretarial Audit Report is neither an assurance as to the future viability of the company nor of the efficacy or effectiveness with which the management has conducted the affairs of the company.

INDEPENDENT AUDITORS' REPORT

**To the Members of
Punjab Logistics Infrastructure Limited**

Report on the Audit of the Standalone Financial Statements

Opinion

We have audited the accompanying standalone financial statements of Punjab Logistics Infrastructure Limited ("the Company"), which comprise the Balance Sheet as at March 31, 2020, the Statement of Profit and Loss (including other comprehensive income), the Statement of Changes in Equity and the Statement of Cash Flows for the year then ended and notes to the financial statements, including a summary of significant accounting policies and other explanatory information (hereinafter referred as "the Standalone Financial Statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Standalone financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under Section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015 as amended ("IND AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2020, the profit(financial performance including other comprehensive income), changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the Standalone Financial Statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the *Auditor's Responsibilities for the Audit of the Standalone Financial Statements* section of our report. We are independent of the Company in accordance with the *Code of Ethics* issued by the Institute of Chartered Accountants of India (ICAI) together with the independence requirements that are relevant to our audit of the Standalone financial statements under the provisions of the Act and the Rules made there under and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Standalone Financial Statements.

Emphasis of Matter

We draw attention to the following matters:

During the year under audit, Employee Benefit Expenses consisting of contractual staff charges of Rs 15,29,242/- paid to employees hired on contract basis have been disclosed under the head 'other expenses' in Statement of Profit and Loss.

Our opinion is not modified in respect of the matter.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

KEY AUDIT MATTERS	HOW OUR AUDIT ADDRESSED THE KEY AUDIT MATTERS
<p>1) DEFERED TAX ASSETS</p>	
<p>The company has not created any Deferred Tax Asset on Unabsorbed depreciation and unused tax losses in previous years (i.e. FY 2017-18 and 2018-19). However in FY 2019-20, deferred tax assets of Rs 9,31,19,632/- has been created on Unabsorbed depreciation and accumulated losses of the company as the company is probable of future taxable profits.</p>	<p>The following factors were considered to review the recognition of Deferred Tax Asset:</p> <ul style="list-style-type: none"> a. Existence of sufficient taxable temporary difference. b. Convincing evidence that sufficient taxable profits will be available in the future. <p>-Based on the future projections as approved by the management and representations provided to us, the company judgment on recoverability of Deferred Tax Asset as mentioned in Note 28 of the Standalone Financial Statements is fair and reasonable.</p>
<p>2) CONTINGENT LIABILITY</p>	
<p>The company is in the process of getting approval of building plan of its Multi Model Logistics Park from PUDA which in the judgment of the management would not eventually lead to any financial liability. The company has not disclosed the same as contingent liability as required under IND AS-37 Provisions , Contingent Liabilities and Contingent Assets.</p>	<p>Our Audit procedures involves the following activities :-</p> <ul style="list-style-type: none"> • Understanding the process of estimation , recording and reassessing provisions and contingencies. • The review of Board of Directors minutes to understand the current status of building plan approval process. • Review of Management representations and discussions with the management. <p>We have relied upon the management assessment.</p>

Information Other than the Standalone Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the Board's Report including its annexure, Corporate Governance and shareholders information but does not include the standalone Financial Statements and our auditor's report thereon. Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance, total comprehensive income, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the accounting standards specified under Section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is responsible for overseeing the company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal control.
- Obtain an understanding of internal financial control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings including any significant deficiencies in internal control that we identify during our audit.

we also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence and where applicable related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of financial statements of current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

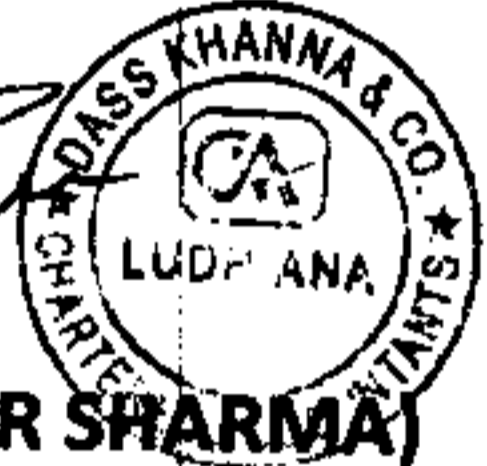

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the "Annexure A", a statement on the matters specified in the paragraph 3 and 4 of the order, to the extent applicable.
2. As required by Section 143 (3) of the Act based on our audit, we report that:
 - a. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit;
 - b. In our opinion proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - c. The Balance Sheet, the Statement of Profit and Loss (including other comprehensive income), Statement of Changes in Equity and the statement of Cash Flow dealt with by this Report are in agreement with the relevant books of account.
 - d. In our opinion, the aforesaid standalone financial statements comply with the Ind AS specified under section 133 of the Act read with rule 7 of the Companies (Accounts) Rules, 2014.
 - e. The Company being a Government Company, the provisions of Section 164(2) of the Companies Act, 2013 in respect of disqualification of Directors are not applicable.
 - f. With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate report in "Annexure B".
 - g. With respect to the other matters to be included in the Auditor's Report in accordance with the requirement of Section 197(16) of the Companies Act, 2013 as amended: In our opinion, the company being a government company, the provisions in relation to payment of managerial remuneration as mandated by Section 197 read with Schedule V to the Companies Act, 2013 is not applicable.
 - h. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014 as amended in our opinion and to the best of our information and according to the explanations given to us:

- i. The Company has disclosed the impact of pending litigations on its financial position in its standalone financial statements – Refer Note no. 37 to the standalone financial statements;
 - ii. The Company did not have any long term contracts including derivative contracts for which there were any material foreseeable losses.
 - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.
3. As required by Section 143 (5) of the Act, we give in "Annexure-C" a statement on the matters as specified in the directions issued by The comptroller and Auditor General of India, and in our opinion, no action required to be taken thereon and there is no impact on the accounts and financial statements of Company.

Annexure - A to the Independent Auditors' Report

(Referred to in "Paragraph – 1" under 'Report on other Legal and Regulatory Requirements section of our Independent Auditors' Report to the members of Punjab Logistics Infrastructure Limited on the Standalone financial statements for the year ended on March 31, 2020.)

We report that:

(i) (a) The Company has maintained proper records showing particulars including quantitative details and situation of fixed assets.

(b) As explained to us, the fixed assets have been physically verified by management during the year in a phased periodical manner, which in our opinion is reasonable, having regard to the size of the Company and the nature of its assets. No material discrepancies were noticed on such physical verification.

(c) The company has acquired 12056.46sqm of Land from Northern Railways on an annual license fee. However, no formal lease agreement have been executed by the company.

(d) As informed by the company and verified by us the title deeds of the immovable properties are held in the name of the company. However the sale deeds for the following properties have been executed in the name of company but the mutation of the said properties is yet to be marked in the revenue records :-

Village	Area of Land (acres)	Cost of Land (Rs.)
Lehra	0.07	2,56,200
Ghungrana	0.021	1,80,300
Khera	0.0156	3,04,422

(ii) The Company is engaged in the service sector and does not hold any inventory and Hence clause 2 of paragraph 3 of the Companies (Auditor's Report) Order, 2016 is not applicable.

(iii) In our opinion and according to the information and explanation given to us, the Company has not granted any loans secured or unsecured, to Companies, Firms and other parties covered in the register maintained section 189 of the Companies Act, 2013.

- (iv) In our opinion and according to the information and explanations given to us, the Company has complied with the provisions of Section 185 and 186 of the Companies Act, 2013 in respect of loans, investments, guarantees and security.
- (v) The Company has not accepted deposits from the public within the meaning of provisions of sections 73 to 76 or any other relevant provisions of the Companies Act, 2013 and the rules framed there under.
- (vi) As informed to us, the central Government has not prescribed maintenance of cost records under subsection (1) of Section 148 of the Companies Act, 2013.
- (vii) According to the information and explanations given to us and the books and records examined by us, we state that the company is regular in depositing undisputed statutory dues including income tax, custom duty, Goods & services Tax, cess and other statutory dues.
- (viii) Based on our examination of books of account and according to the information and explanations given to us, the Company has not defaulted in repayment of dues to financial institution or Bank or Government or debenture holders.
- (xi) In our opinion and according to the information and explanations given to us, no money was raised by way of initial public offer or further public offer (including debt instruments) and term loans during the year.
- (x) To the best of our knowledge and belief and according to the information and explanations given to us, no material fraud on or by the Company, by its officers or employees has been noticed or reported during the year.
- (xi) As per notification- no. GSR 463(E) dated 5th June 2015 issued by MCA, Government of India, Section 197 of the act is not applicable to the Government Companies. Accordingly, provision of clause 3 (xi) of the CARO 2016 are not applicable to the company. However, No Managerial Remuneration has been paid in terms of Section 197 read with schedule V of the companies Act, 2013.
- (xii) The Company is not a Nidhi Company. Therefore, the provisions of clause 3 (xii) of the Companies (Auditor's Report) Order, 2016, are not applicable to the Company.
- (xiii) On the basis of examination of records of the Company and information and explanations given to us, all transactions with the related parties are in compliance with sections 177 and 188 of Companies Act, 2013 where applicable and the details of such transactions have been disclosed in the standalone financial statements as required by the applicable Indian Accounting Standards.
- (xiv) According to the information and explanations given to us, the Company has not made any preferential allotment or private placement of shares or fully or partly convertible debentures during the year under review and therefore, the provisions of clause 3 (xiv) of the Companies (Auditor's Report) Order, 2016, are not applicable to the Company.
- (xv) According to the information and explanations given to us and based on our examination of the records of the company, the Company has not entered into any non-cash transactions with

directors or persons connected with the directors and therefore, the provisions of clause 3 (xv) of the Companies (Auditor's Report) Order, 2016, are not applicable to the Company.

(xvi) In our opinion and according to the information and explanations given to us, the Company is not required to be registered under Section 45-IA of the Reserve Bank of India Act, 1934.

Annexure - B to the Independent Auditors' Report

Referred to in "Paragraph – 2(f)" under 'Report on other Legal and Regulatory Requirements section of our Independent Auditors' Report to the members of Punjab Logistics Infrastructure Limited on the Standalone financial statements for the year ended on March 31, 2020.

Report on the Internal Financial Controls over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the Internal Financial Control over financial reporting of Punjab Logistics Infrastructure Limited ("the Company") as of March 31, 2020 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Board of Directors of the Company is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to respective company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the internal financial controls over financial reporting of the Company based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained, is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls system over financial reporting of the Company.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial controls over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's Internal financial controls over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of Internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that internal financial controls over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March, 2020, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial reporting issued by the Institute of Chartered Accountants of India.

ANNEXURE C TO THE INDEPENDENT AUDITOR'S REPORT

Referred to in "Paragraph – 3" under 'Report on other Legal and Regulatory Requirements section of our Independent Auditors' Report to the members of Punjab Logistics Infrastructure Limited on the Standalone financial statements for the year ended on March 31, 2020.

Directions indicating the areas to be examined by the Statutory Auditors during the course of audit of annual accounts of Punjab Logistics Infrastructure Limited, for the year 2019-20 issued by the Comptroller & Auditor General of India under Section 143(5) of the Companies Act, 2013.

S.NO.	DIRECTIONS	REMARKS
1.	Whether the company has system in place to process all the accounting transactions through IT system? If yes, the implications of processing of accounting transactions outside IT system on the integrity of the accounts along with the financial implications, if any, may be stated.	The company has system in place to process all the accounting transactions through IT system. The operational entries of the company like revenue, customer ledger account, pre deposits accounts etc have been recorded in a 2 separate IT system (viz. DTMS) other than financial reporting IT system (viz. Tally ERP 9). The payments and company accounts are maintained in Tally ERP 9. The income generated through commercial software is transferred to accounting software through separate entries at monthly intervals.

S.NO.	DIRECTIONS	REMARKS
2.	Whether there is any restructuring of an existing loan or cases of waiver/write off of debts/loans/interest etc. made by a lender to the company due to company's inability to repay the loan? If yes, the financial impact may be stated.	Based on the verification of records and according to the information and explanations provided to us there is no restructuring of an existing loan (or) waiver/write off of debts/loans/interest etc, made by the lender due to company's inability to pay.
3.	Whether funds received/receivable for specific schemes from central/state agencies were properly accounted for/utilized as per terms and conditions? List the cases of deviation.	Based on the information and explanation furnished to us by the management there were no such funds received/receivable towards any specific schemes from Central/State agencies.

PUNJAB LOGISTICS INFRASTRUCTURE LIMITED

NOTE 1 : COMPANY INFORMATION AND ITS ACCOUNTING POLICIES

CORPORATE INFORMATION

Punjab Logistics Infrastructure Limited (the "Company") is a public limited Company domiciled and headquartered in India and incorporated under the provisions of the Companies Act, 1956. Punjab Logistics Infrastructure Limited is the subsidiary company of Container Corporation of India Limited (CONCOR). The Company is a Government Company by virtue of the fact that 51% of its shareholding is held by Container Corporation of India Limited (Central Government undertaking) and the balance 49% of the share are held by The Punjab State Container & Warehousing Corporation Limited (A Punjab Government Enterprise). The Company is Multi Model Logistics Park (MMLP) in District Ludhiana, Punjab, wherein it is providing logistics services related to Domestic containers and cargo. The EXIM operations which will be the major portion of the business are yet to commenced as IMC approval are under process. The company is currently providing services related to handling and movement of domestic containers.

The functional and presentation currency of company is Indian Rupee which is the currency of the primary economic environment in which company operates.

The financial statements for the year ended March 31, 2020 were approved by Board of Directors and authorized for issue on June 19th, 2020

Application of New or Revised Ind AS

Ministry of Corporate Affairs ("MCA") notifies new standard or amendments to the existing standards. There is no such notification which would have been applicable from April 1, 2020.

SIGNIFICANT ACCOUNTING POLICIES

The significant accounting policies applied by company in the preparation of its financial statements are listed below, such accounting policies have been applied consistently to all the periods presented in this financial statement unless otherwise indicated.

1. Statement of compliance

The financial statements have been prepared in accordance with Indian Accounting Standards (Ind ASs) notified under Section 133 of the Companies Act, 2013 ("the Act") read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 and Companies (Indian Accounting Standards) Amendment Rules, 2016.

2. Basis of preparation

The financial statements have been prepared with Indian Accounting Standards (Ind AS) under the historical cost convention on accrual basis. All assets and liabilities have been classified as current and non-current as per the Company's normal operating cycle. Based on the nature of services rendered to customers and time elapsed between deployment of resources and the realisation in cash and cash equivalents of the consideration for such services rendered, the Company has considered an operating cycle of 12 months. The statement of Cash flows have been prepared under indirect method.

3. Property, plant and equipment:

- (i) Property, plant and equipment is stated at cost, less accumulated depreciation and accumulated impairment losses. The initial cost of an asset comprises its purchase price or construction cost, any costs directly attributable to bringing the asset into the

location and condition necessary for it to be capable of operating in the manner intended by management, the initial estimate of any decommissioning obligation, if any, and, for assets that necessarily take a substantial period of time to get ready for their intended use, finance costs. Cost includes interest on capital advances and duty credits and is inclusive of freight, duties, taxes and other incidental expenses. In respect of assets due for capitalization, where final bills/claims are to be received/passed, the capitalisation is based on the engineering estimates. Final adjustments, for costs and depreciation are made retrospectively in the year of ascertainment of actual cost and finalization of claim. Items such as spare parts, stand-by equipment and servicing equipment are recognised in accordance with this Ind AS 16 when they meet the definition of property, plant and equipment.

- (ii) Capital work in progress includes the cost of fixed assets that are not yet ready for their intended use and the cost of assets not put to use before the Balance Sheet date.
- (iii) Provision for stamp duty at the prevailing rate is made by the company at the time of capitalization of the amount paid for acquisition of land & is capitalised as part of the cost of Land.

Depreciation/amortisation:

- (iv) Property, plant and equipment are depreciated over its useful life on S.L.M. basis and in the manner prescribed in Schedule II to the Companies Act 2013. However, The company has considered useful life of boundary walls as Five years for providing depreciation.

The estimated useful life and deprecation method are reviewed at the end of each reporting period, with the effect of any changes in estimate being accounted for on a prospective basis.

- (v) An item of property, plant and equipment is derecognised upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. Any gain or loss arising on the disposal or retirement of an item of property, plant and equipment is determined as the difference between the sales proceeds and the carrying amount of the asset and is recognised in profit or loss.

4. Impairment of non-financial assets:

At the end of each reporting period, the company reviews the carrying amounts of its tangible and intangible assets to determine whether there is any indication that those assets have suffered an impairment loss. If any such indication exists, the recoverable amount of the asset is estimated in order to determine the extent of the impairment loss (if any).

Recoverable amount is the higher of fair value less costs of disposal and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset for which the estimates of future cash flows have not been adjusted.

If the recoverable amount of an asset (or cash-generating unit) is estimated to be less than its carrying amount, the carrying amount of the asset (or cash-generating unit) is reduced to its recoverable amount. An impairment loss is recognised immediately in profit or loss.

5. Inventories:

Stores and spare parts are valued at cost on weighted average basis or Net Realizable Value(NRV) whichever is lower. Provision for obsolescence is made, whenever required.

6. Employee benefits and cost:

The Company does not recognize any employee benefits expense and provision towards post-employment and post-retirement benefits for employees as it does not have any employees employed directly on its payroll.

7. Secondment and Contractual Cost:

The staff of the company is either taken on deputation from the holding company-Container Corporation of India Limited (CONCOR) or are hired on contract basis. These costs are recognized as other expenses based on the contractual arrangements and secondment charges.

8. Revenue recognition:

The Company deals in designing, developing, operating, setting up and maintenance of Inland container (ICD) as well as providing services related to handling and movement of domestic containers.

> Basic principal of Revenue Recognition:

- i. Revenue is recognized on satisfaction of each performance obligation (distinct services) as per the terms of the contract.
- ii. Performance obligations are treated as distinct obligation:
 - a. When it is identifiable separately from other obligations in the contract;
 - b. Its progress can be measured separately;
 - c. Transaction price to the performance obligation can be allocated;
 - d. The customer will not be required to re-perform the services already performed in case it decides to terminate the contract at that stage;
 - e. There will not be any impairment in the value of services already performed; and
 - f. The customer can get the rest of the performance without intervention of PLIL.
- iii. Satisfaction of performance obligation:
Container movement between two destinations is considered distinct performance obligation under each contract and the contract is treated as 'over the period contract'.
- iv. Transaction price for each primary obligation is fixed at the time of entering into contract. Rates at which incidental services are charged are also known at the time of entering into contract. Therefore "output method" of revenue recognition is applied.
- v. Volume discount scheme (VDS) is in the nature of variable consideration. Since, VDS is not universally applicable to all contracts, fair estimate is made of such consideration payable in specific cases and is deducted from Gross Revenue to reflect revenue net of variable consideration on the reporting date.

> Road Freight Income:

Road freight income and charges for incidental services and related expenses are accounted for on satisfaction of performance obligation i.e., transportation of container to the destination terminal/port/customer's premises after providing all incidental services required in the course of primary obligation of transportation like loading & unloading etc. to make the container/cargo ready for delivery.

However, in case of door delivery of container arrived by rail from other locations, road freight income and charges for incidental services are accounted for on returning of these containers at PLIL Terminal from customer premises.

> Terminal Access charges:

Terminal Access charges are accounted for:

- a. In case of Containers(Loaded/Empty), on loading/unloading of containers at PLIL Terminal on/from Container Corporation of India Rakes.
- b. Terminal Access Charges on Conventional Railway wagons are accounted for on the basis of arrival or departure of these wagons.

➤ Terminal service charges;

- a. Terminal Service Charges (TSC) on empty containers and loaded domestic containers are recognized on accrual basis.
- b. Terminal service Charges (TSC) on EXIM loaded containers are recognized at the time of release of containers. The EXIM operations are not yet started and all the revenue generation in FY 2019-2020 pertains to domestic container.

The above principles of revenue recognition are in terms of IND AS 115 (effective from 01 April 2018) and based on this, there is no income to be treated as deferred income as well as there are no current liabilities on account of deferment of income for FY 2019-2020 as well as FY 2018-2019.

- Interest income from deposits is recognized on accrual basis.
- Interest on income tax refunds are accounted at the time of receipt of refund.

9. Claims/counter-claims/penalties/awards:

Claims/counter-claims/penalties/awards are accounted for in the year of its settlement. Claims receivable are accounted at the time when such income has been earned by the company depending upon the certainty of receipts. Claims payable are accounted at the time of acceptance.

10. Taxes on income:

Income tax expense represents the sum of the tax currently payable and deferred tax.

Current tax

The tax currently payable is based on taxable profit for the year. Taxable profit differs from 'profit before tax' as reported in the statement of profit and loss because of items of income or expense that are taxable or deductible in other years and items that are never taxable or deductible. The Company's current tax is calculated using tax rates that have been enacted or substantively enacted by the end of the reporting period.

Deferred tax

Deferred tax is recognised on temporary differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax base used in the computation of taxable profit. Deferred tax liabilities are generally recognised for all taxable temporary differences. Deferred tax assets are generally recognised for all deductible temporary differences to the extent that it is probable that taxable profits will be available against which those deductible temporary differences can be utilised. Such deferred tax assets and liabilities are not recognised if the temporary difference arises from the initial recognition of assets and liabilities in a transaction that affects neither the taxable profit nor the accounting profit.

The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered.

Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realised, based on tax rates that have been enacted or substantively enacted by the end of the reporting period.

The measurement of deferred tax liabilities and assets reflects the tax consequences that would follow from the manner in which the Company expects, at the end of the reporting period, to recover or settle the carrying amount of its assets and liabilities.

Current and deferred tax for the year

Current and deferred tax are recognised in profit or loss, except when they relate to items that are recognised in other comprehensive income or directly in equity, in which case, the current and deferred tax are also recognised in other comprehensive income or directly in equity respectively.

11. Borrowing cost

Borrowing costs directly attributable to the acquisition, construction or production of the qualifying assets, which are assets that necessarily take a substantial period of time to get ready for their intended use or sale, are added to the cost of those assets, until such time as the assets are substantially ready for their intended use or sale.

All other borrowing costs are recognized in the Statement of Profit or Loss in the period in which they are incurred.

12. Provisions, contingent liabilities & contingent assets:

(i) Provisions:

Provisions are recognized when the company has a present obligation (legal or constructive) as a result of a past event, it is probable that the outflow of resources will be required to settle the obligation, in respect of which a reliable estimate for the part of financial statements can be made of the amount of the obligation.

The amount recognized as a provision is the best estimate of the consideration required to settle the present obligation at the end of the reporting period, taking into account the risks and uncertainties surrounding the obligation. When a provision is measured using the cash flows estimated to settle the present obligation, its carrying amount is the present value of those cash flows (when the effect of the time value of money is material).

When some or all of the economic benefits required to settle a provision are expected to be recovered from a third party, a receivable is recognized as an asset if it is virtually certain that reimbursement will be received and the amount of the receivable can be measured reliably.

(ii) Contingent liabilities:

Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle or a reliable estimate of the amount cannot be made.

(iii) Contingent assets:

Contingent assets are neither recognized nor disclosed in the financial statements. However they are disclosed when the possible right to receive exists.

13. Earnings per share (EPS)

Basic earnings per share ('EPS') is computed by dividing the net profit or loss for the year attributable to equity shareholders by the weighted average number of shares outstanding during the year.

Diluted EPS is computed using the weighted average number of equity and dilutive equity equivalent shares outstanding during the period except where the result would be anti-dilutive.

14. Cash and Cash Equivalent

For the purpose of presentation in the cash flow statement, cash and cash equivalents include cash onhand, demand deposits with banks, other short term highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value.

15. Leases

A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration. To assess whether a contract conveys the right to control the use of an identified asset, the Company assesses whether: (i) the contract involves the use of an identified asset (ii) the Company has substantially all the economic benefits from use of the asset through the period of the lease and (iii) the Company has the right to direct the use of the asset.

The Company accounts for each lease component within the contract as a lease separately from non-lease components of the contract and allocates the consideration in the contract to each lease component on the basis of the relative stand-alone price of the lease component and the aggregate stand-alone price of the non-lease components.

The Company as a Lessee

At the date of the commencement of the lease, the Company recognizes a right-of-use assets ('ROU') and a corresponding lease liability for all the lease arrangements in which it is a lessee, except for leases with a term of twelve months or less (short term leases) and low value leases, the Company recognizes the lease payments as an operating expense on a straight-line basis over the term of the lease.

In determining the lease term, Company considers the Option to extend/terminate the lease, wherever it is reasonably certain to exercise such option.

16. Financial Instruments

Financial assets and financial liabilities are recognized when the company becomes a party to the contractual provisions of the Instruments.

Initial recognition and measurement

Financial assets and financial liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition.

Subsequent measurement

The company's financial assets represents assets whose contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding and these assets are held in a business model to hold the financial asset to collect the contractual cash flows at maturity consequentially in

accordance with Ind AS 109 these assets are carried at amortized cost using effective interest rate.

The Company's financial liabilities are not held for trading and are also carried at amortized cost using effective interest rate.

De-recognition of financial assets

A financial asset and financial liabilities are de-recognised when they are discharged.

Offsetting of financial instruments

Financial assets and financial liabilities are offset and the net amount is reported in the balance sheet if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, to realise the assets and settle the liabilities simultaneously.

17. Impairment of financial asset

In accordance with Ind-AS 109, the Company applies Expected Credit Loss (ECL) model for measurement and recognition of impairment loss for financial assets. ECL is the difference between all contractual cash flows that are due to the Company in accordance with the contract and all the cash flows that the Company expects to receive. When estimating the cash flows, the Company is required to consider -

- All contractual terms of the financial assets (including prepayment and extension) over the expected life of the assets.
- Cash flows from the sale of collateral held or other credit enhancements that are integral to the contractual terms.

Trade receivable

As a practical expedient the Company has adopted 'simplified approach' using the provision matrix method for recognition of expected loss on trade receivables. The provision matrix is based on historical default rate observed over the expected life of the trade receivable and is adjusted for forward-looking estimates. At every reporting date, the historical default rates are updated and changes in the forward-looking estimates are analysed. Further receivables are segmented for this analysis where the credit risk characteristics of the receivables are similar.

Other financial assets

Impairment loss on other financial assets is recognised based on the difference between the present value of the expected cash flows and carrying value.

18. Equity Instruments

An equity instrument is any contract that evidences a residual interest in the assets of an entity after deducting all of its liabilities. Equity instruments issued by the Company are recognized at the proceeds received. Incremental costs directly attributable to the issuance of new ordinary equity shares are recognized as a deduction from equity, net of tax effects.

19. Use of estimates and judgements

When preparing the financial statements, management undertakes a number of judgements, estimates and assumptions about the recognition and measurement of assets, liabilities, income and expenses. The following are significant management judgements in applying the accounting policies of the Company that have the most significant effect on the financial statements.

Recognition of deferred tax assets: The extent to which deferred tax assets can be recognized is based on an assessment of the probability of the Company's future taxable income against which the deferred tax assets can be utilized. Accordingly, company exercise its judgement to reassess the carrying amount of deferred tax assets at the end of each reporting period.

Provision for Income taxes: Significant judgements are involved in determining the provision for income taxes, including amount expected to be paid/ recovered for uncertain tax positions

Useful life of Property, Plant and Equipment: As described at point 3 above, the Company reviews the estimated useful lives of property, plant and equipment at the end of each reporting period. The estimate of useful life may be different on account of change in business environment and change in technology which could have a material impact on the financial statement.

Due from Related Party (CONCOR)	1,54,82,117	2,69,72,590
- Others	5,70,454	9,58,435
Total	1,60,52,571	2,79,31,025

Credit Risk Management:

The company has commenced its commercial operation w.e.f April 05th, 2017 and from its operation date, there has not been any defaults in the payment to be made by them. The Company regularly monitors for the timely recovery and also follow up for balance outstanding. The Company has a policy of collecting the expected dues on advance basis. Therefore the company has limited exposure to credit risk.

Credit Risk Concentrations:

The Trade receivables balances predominantly includes outstandings from holding company (CONCOR). The letter for balance confirmations have been disptched to respective receivables and major balance confirmations have been received from receivables.

Allowance for expected credit losses:

The Company has used a practical expedient by computing the expected credit loss allowance for trade receivables based on provision matrix. The provision matrix takes into account historical credit loss experience and adjusted for forward looking information. The expected credit loss allowance is based on ageing of the days the receivables are due and the rates as given in provision matrix. The ageing matrix and % of for expected credit loss applied at end of reporting period is as follows:

Ageing

Particulars	Expected Credit Loss (%)	
	As at March 31, 2020	As at March 31, 2019
1-180 days	0%	0%
More than 180 days past due	0%	0%

The concentration of credit risk is zero due to fact that company is significantly dealing with government entities and its holding company and there is no expected credit loss allowance.

Age of receivables

Particulars	As at	As at
	March 31, 2020	March 31, 2019
1-180 days	1,52,23,440	2,74,30,428

24. Operating Leasing arrangements

The Ministry of Corporate Affairs on 30th March 2019 has notified Companies (IND AS) (Amendments) Rules, 2019, which are effective from April 1, 2019. These amendments replace the existing IND AS 17-Leases by introducing IND AS 116-Leases from its proposed effective date April 1, 2019. The Company has acquired 12056.46 Sqm Land on license from Northern Railway on annual license fee basis but no lease agreement has been executed. The company has elected to avail exemption under IND AS 116-as short term lease by recognizing the lease payments associated with those leases as an expense on a straight line basis over the lease term.

Payment recognised as an expense:

Particulars	For the year ended March 31, 2020	For the year ended March 31, 2019
Lease payments	11,02,409	10,30,289.00

25. Segment Reporting

a. The Company is Multi Model Logistics Park (MMLP) in District Ludhiana, Punjab, wherein it is providing logistics services related to Domestic containers and cargo. The EXIM operations which will be the major portion of the business are yet to commenced as IMC approval are under process. The company is currently providing services related to handling and movement of domestic containers. The Company deals in designing, developing, setting up, operating and maintenance of Inland Container Depot (ICD) as well as provided services related to handling and movement of Domestic Containers. The EXIM operations are not yet started and all the revenue generation for FY 2019-2020 pertains to Domestic operations only.

b. The Company is organised into Domestic Operating division only. The operating segments are primarily based on nature of services and hence the Revenue from external customers of each segment is representative of revenue based on services.

c. As the operations of company are presently confined to geographical territories of India, there are no reportable operating segments.

d. The following is the analysis of company's revenue from its major services:-

e. Information about major customers: Company's significant revenues are derived from services to foodgrain and logistics companies which is 95.25% and 95.56% of the Company's total revenue for the year ending March 31, 2020 & March 31, 2019 respectively. The total sales to such companies amounted to Rs.23,31,57,535/- for the year ended March 31, 2020 and Rs. 17,44,21,805/- for the year ended March 31, 2019

No customer (excluding foodgrains and logistics companies mentioned above) for the years ended March 31, 2020 & March 31, 2019 contributed 10% or more to the Company's revenue.

26. Earning per share

Particulars	As at March 31, 2020	As at March 31, 2019
Basic earning/ (loss) per share	0.05	(0.59)
Dilutive earning/ (loss) per share	0.05	(0.59)
There are no dilutive instruments issued by the company.		

Basic earning per share

The earnings and weighted average number of equity shares used in the calculation of basic earnings per share are as follows.

Particulars	As at March 31, 2020	As at March 31, 2019
Profit for the year attributable to owners of the Company	94,96,767	(11,87,37,876)
Earnings used in the calculation of basic earnings per share	94,96,767	(11,87,37,876)
Weighted average number of equity shares for the purposes of basic earnings per share	20,00,00,000	20,00,00,000

26.1 Impact of changes in accounting policies

There are no changes in the accounting policies which had impact on the amounts reported for earning per share.

27. Income taxes

Income tax recognised in profit or loss

Particulars	For the year ended March 31, 2020	For the year ended March 31, 2019
Current tax		
In respect of the current year	-	-
In respect of the prior year	-	(11,925)
	-	(11,925)
Deferred tax		
In respect of the current year	(9,12,92,105)	62,95,376
In respect of prior year	-	-
	(9,12,92,105)	62,95,376
Total income tax expense recognised in the current year	(9,12,92,105)	62,83,451

The income tax expense for the year can be reconciled to the accounting profit as follows:

Particulars	For the year ended March 31, 2020	For the year ended March 31, 2019
Profit before tax	(8,17,95,338)	(11,24,54,425)
Income tax expense calculated at 26% (2018-19: 26%)	(2,12,66,788)	(2,92,38,151)
Effect of unused tax losses not recognised as Deferred Tax	11,25,58,893	3,55,21,660
Effect on DT balances due to change in income tax rate from 25.75% to 26%	-	11,867
Adjustments related to current year recognized in next financial year	-	-
	(9,12,92,105)	62,95,376
Adjustments recognised in the current year in relation to the current tax of prior years	-	(11,925)
Income tax expense recognised in profit or loss	(9,12,92,105)	62,83,451

The tax rate used for FY 2019-20 and FY 2018-19 is corporate tax rate 26% payable by corporate entities in India on taxable profits under the Income tax Act.

28. Deferred tax balances

The following is the analysis of deferred tax assets/(liabilities) presented in the balance sheet:

Particulars	As at		As at March 31, 2019	As at March 31, 2019
	March 31, 2020	March 31, 2019		
Deferred tax assets			4,73,936	
Deferred tax liabilities	9,31,19,632		(1,12,83,273)	
Total	8,04,82,768		(1,08,09,337)	

Particulars	As at March 31, 2020		As at March 31, 2019
	Opening balance	Recognised in profit or loss	
Difference between written down value of fixed assets as per books of accounts and tax records	(1,08,09,337)	(18,27,527)	(49,87,897)
Unabsorbed losses		9,31,19,632	
Temporary deductible difference due to preliminary expenses written off in books but not allowed in income tax before commencement of operations			4,73,936
Net Deferred Tax Asset/(Liability)	(1,08,09,337)	9,12,92,105	(62,95,376)
			(1,12,83,273)
			(1,08,09,337)

Deferred tax (liabilities)/assets in relation to:

Difference between written down value of fixed assets as per books of accounts and tax records

Unabsorbed losses

Temporary deductible difference due to preliminary expenses written off in books but not allowed in income tax before commencement of operations

Net Deferred Tax Asset/(Liability)

Note:

> The requirement to recognise deferred tax asset is that it should be probable that the taxable profit will be available against which the deductible temporary differences can be utilised. Accordingly, PLIL, in this FY 2019-2020 has been prepared the projections of profitability for future years and it is expected that unabsorbed losses due to depreciation and business loss will be adjusted towards probable future profits. In previous years, PLIL have no probability of future profits as company has started its business operations in FY 2017-18. At inception stage, business volumes were low, and Depreciation burden was high resulting into losses and which leads to unabsorbed depreciation and business losses. Keep in view the market response and the growth of business volumes, the company has anticipated projections for the coming years and based thereon it is probable that unabsorbed losses due to depreciation and business loss will be adjusted towards probable future profits. The company has created deferred tax assets of Rs.9,31,19,632/- on Unabsorbed depreciation and accumulated losses of the company. The amount of unabsorbed losses for FY 2017-18 and FY 2018-19 is Rs. 13,49,11,138/- and Rs. 13,47,16,657/- respectively and for FY 2019-20 unabsorbed loss is Rs, 8,85,24,639/-.

> The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered.

* The Company has acquired 12056.46 Sqm Land on license from Northern Railway on annual license fee. No lease agreements have been executed by the company. Thus the information not required under IND AS-116 "Lease"

30. Financial Instruments Disclosures

(i) Capital management

The Company's reviews the capital structure on an annual basis or frequently as and when need arises. As part of this review, the committee considers the cost of capital and the risks associated with each class of capital. Based on this, the Company determines the amount of capital required for annual and long-term operating plans. The funding requirements are met through equity and borrowings. The Company monitors the capital structure on the basis of Net debt to equity ratio and maturity profile of the overall debt portfolio of the Company.

The capital structure of the company consists of net debt(borrowings as detailed in note 13 offset by cash and bank balances) and total equity of the company.

The gearing ratio enables investors to see how significant net debt is relative to equity from shareholders. After the infusion of debt during 2015-16, the company is subject to externally imposed capital requirements against the term loan borrowed from HDFC Bank from the Third year of its operations. As per the financial covenants exposed by bank, the Company has to maintain tangible net worth below 2 and total debt service coverage ratio(DSCR) should be greater than 1.25. The gearing ratio as at March 31st, 2020 is 0.38 & at March 31st, 2019 is 0.39 (see below).

Gearing ratio

The gearing ratio at the end of the reporting period was as follows;

Particulars	As at March 31, 2020	As at March 31, 2019
Debt *		
Cash and bank balances	70,00,00,000	70,00,00,000
Net debt	4,01,37,428	2,43,45,376
Equity**	65,98,62,572	67,56,54,624
Net debt to equity ratio	1,75,78,54,739 0.38	1,74,83,57,972 0.39

*Debt is defined as long-term and short-term borrowings.

** Equity includes all capital and reserved of the company that are managed as capital.

(ii) Categories of financial Instruments

Particulars	As at March 31, 2020	As at March 31, 2019
Measured at amortised cost		
Financial assets		
(a) Cash and bank balances		
(b) Trade receivables	4,01,37,428	2,43,45,376
(c) Others	1,60,52,571	2,79,31,025
Financial liabilities		
(a) Borrowings	22,17,821	21,01,767
(b) Trade payables	70,00,00,000	70,00,00,000
	41,37,635	1,52,01,803

(iii) Financial risk management objectives

The Company's corporate treasury function monitors and manages the financial risks relating to the operations of the Company by analyzing exposures by degree and magnitude of risks. These risks include market risk, credit risk and liquidity risk.

(iv) Credit risk management

Credit risk refers to the risk that a counterparty will default on its contractual obligations resulting in financial loss to the Company. The company doesnot have significant credit risk exposure to any single counterparty and significant dealing with government entities.

The company has bank balances with creditworthy banking institution resulting in the limited credit risk from the counter parties.

(v) Market Risk and Interest rate risk

Market risk is the risk or uncertainty arising from possible market price movements and their impact on the future performance of a business. The major components of market risk are interest rate risk. The Company is exposed to interest rate risk because the company has borrowed the funds at floating interest rate in the year 2015-16. The current effective interest rate used by the company is bank's base rate as per bank advice to record interest expense till the moratorium period of 4 years. However after moratorium period, the bank will charge at its bank base rate and spread which shall be reset on yearly basis from the date of first draw down.

The company is exposed to the change in bank base rate as well as additional spread if reset by the bank during the tenure of the loan. A 50 basis points increase / decrease in the interest rate as at 31 March 2020 will lead to INR 40,09,178/- (31 March 2019 will lead to INR 38,03,958/-) increase / decrease in the profit recorded during that period.

(vi) Liquidity risk management

The Company manages liquidity risk by maintaining adequate reserves and continuously monitoring forecast and actual cash flows and by matching the maturity profiles of financial assets and liabilities.

Liquidity and interest risk tables

The following tables detail the company's remaining contractual maturity for its financial assets and liabilities with agreed repayment periods. The tables have been drawn up based on the undiscounted cash flows of financial assets and liabilities based on the earliest date on which the Company can be required to receive/ pay. The tables include both interest and principal cash flows. The contractual maturity is based on the earliest date on which the company may be required to pay.

The table below provides details regarding the contractual maturities of financial liabilities including estimated interest payments as at March 31, 2020:

Other current financial liabilities	1,80,33,248	1,80,33,248				1,80,33,248

Financial Assets

The following table details the Company's expected maturity for its non-derivative financial assets. The table has been drawn up based on the undiscounted contractual maturities of the financial assets including interest that will be earned on those assets. The inclusion of information on non-derivative financial assets is necessary in order to understand the Company's liquidity risk management as the liquidity is managed on a net asset and liability basis.

As at March 31, 2020

Particulars	Carrying amount	Less than 1 year	5+years	Total
Cash and cash equivalents	4,01,37,428	4,01,37,428		4,01,37,428
